Event Reports

Blades and Blarney XI

In case you missed the action on February 16, 2008, there are many photos on the Glenn Linn website with the particulars listed. Thank you to Sir Mathgamain O'Brien, Emma and Talorc MacTiernan, Lady Arnleif the Red, Lady Ratburc Castus, Mistress eLeri of Nefyn, Lord Ketilfastr Thorkilson, Uust, Attila, Brian, Allen, Lord Asgar Roulfsun! None of it would be possible without your aid!

Discussion for next year's will be to change the date to later, perhaps as late as mid-March. General consensus is to keep this event at West Glens Falls Fire on Luzerne Road, as the space was bright, open and there is plenty of room for various tournaments. And the kitchen rocks as well.

Northern Lights XVII

Despite the nearly twelve inches of snow that fell the night before the this event, on March 1, 2007, the gentlefolk of the East Kingdom came and ruled the day for the Arts and Sciences. Thank you to the Gentles of Glenn Linn who helped before and on the day of the event: Emma MacTiernan, Lady Arnleif the Red, Uust, Lady Ratburc Castus, Lord Ketifastr Thorkilson, Attila, Earnan, John Mandrake, Lord Asgar Roulfsun, Konaa, and Raedwulf Asgarson.

There were so many people helping whenever the slightest need arose, the day's festivities were smooth and well complimented. Thank you!

Northern Region War Camp XV

July 3 - 6, 2008

AutoCrat: Lady Ratburc Castus "Rat"

MiC: Lord Ketilfastr Thorkilson "Ketil"

MerchantCrat: Valdimarr Thorbane

Class coordinator: Lady Moreta atte Birchwode

In addition to the Northern Region Rattan Champs, this event has been chosen to be a Royal Progress and King's and Queen's Equestrian Champs!

The event schedule is already shaping up!

The Youth Torchlight Tourney will be Friday evening, and is open to all three youth divisions.

The Archery Torchlight Tourney will be Saturday night.

Some interesting classes are confirmed so far: turned shoe construction, beginning knitting, tapestry weaving for kids, 6-board Viking box construction for kids, banner making for kids, and many more!

The Athena's Thimble Embroidery Guild will be holding a panel.

The Marshal-in-Charge Ketil is looking for individuals who are interested in creating one of the favors for one of the NRWC XV tournament winners. The design at right can be painted, embroidered, beaded, etc. There is a need for a favor for each form: siege, archery, thrown, rapier, youth. The lower portion of the design will indicate the particular weapon form. Please contact Ketil with your interest in creating one of these favors! The design is by Lord Ketil Thorkilson and Lady Moreta atte Birchwode.

For details, please contact Ketil (nrwcMiC@glennlinn.eastkingdom.org)

**Help will be needed in the days just before the event: to unload the Shire 'Shed' in SGF and bring to the site at the Warrensburgh Fairgrounds. And again after the event to return the Shire's gear to storage.

Please confirm any desire to volunteer in any way to NRWC XV Autocrat Lady Ratburc!! (NRWCXVautocrat@glennlinn.eastkingdom.org)

Shire Happenings

Water Walk II

update: we are getting ready to do it again!

Saturday, May 10, 2008 Crandall Park 9am - 3pm

This year's fighting includes both a Northern Region practice and an Unbelt practice.

Thank you Liam for volunteering to collect funds! It will be a Northern Region and Unbelts practice!

A \$2 donation will be gratefully accepted to counter the cost of food and drink/gatorade. Emma has volunteered to man the table. Thank you Emma!

A newcomer/demo table and an Arts and Science table will be present. Please bring your craft or crafted items for display!

Thank you Corgon and Lleucu for offering your tents for the period encampment. Anyone else wishing to bring their tents, there will a lots of help in set up and break down!

Volunteers are still needed for the real purpose of the day, to walk in the park, to help the Glens Falls Rotary raise awareness and funds for Pure Water for the World's 2008 project in Guatemala. Last year's Water Walk raised \$25,000 for Haiti.

Go Team Glenn Linn and friends!!

Arts and Sciences Circles

every Tuesday (except the second Tuesday of each month) 6:00pm

American Red Cross 78 Warren St GF, NY

Look for posts to the Glenn Linn yahoo group for specific scheduled workshops. We are looking for topics for future circles.

Many interesting and persona/garb building workshops are being held where each circle will encourage one to make an early period tunic, vest, hat, pants, pouch, you name it! Workshops are also possible is interest is shown in the following subjects: simple book binding, soap making and others.

Also, are you interested in teaching? Please contact MoAS Arnleif the Red at ministeras@glennlinn.eastkingdom.org

Horn Class

March 29, 2008 1pm to 5pm

American Red Cross 78 Warren St, GF, NY

Valdimarr generously agreed to teach all interested individuals age 15 and older how to hand carve a horn. There are many photos available on the GL message list, soon to be added to the A&S web page on the official GL website. glennlinn@eastkingdom.org

The next class will be finishing your horn, also any answers about scrimshaw and dying a horn will be answered. The date has yet to be determined. Look to the GL message board for the date or ask Arnleif ministeras@glennlinn.eastkingdom.org

Pewter Class

It will be held at Rat and Ketil's residence once the date is set.

The kit with forge and supplies is already on hand and Uust has kindly agreed to teach those of us who are interested in making site tokens in April. The date will be set and posted to the GL message board. Contact Lady Rat with any questions jenphalian@gmail.com

A second pewter casting session will taught by Lady Irene Purificato of the shire of Anglespur. Look to the Glenn Linn message board for the date as it will be set soon for a weekend after NRWC in July.

Prologue to Mandrake's Epic by John Mandrake

My name is John Mandrake. I travel from lands far to the North, where Normans and Norse-men and Celts fight as one, where the cold will kill you faster than the King's best cavalry, where an ax will serve you better than a barrel-full of gold. Now many of you must wonder how a man lives in such an inhospitable place. You are lucky, for I know of many honorable folk who have done so, such as brave Asgar, headstrong Ketil, fair Frigga, and wise Liam. Come, pull up a chair, grab a pint, and listen closely as I tell you their tales...

From the Chatelaine

Greetings unto the wonderful gentlefolk of Glenn Linn from your Chatelaine Lady Frigga!

I am most pleased to announce that Decimus, aka Goose, will be helping me in the local position as deputy Castellan, effective immediately. He has been a tremendous help already in welcoming newcomers and at all of the demos we have held in the recent year. As I have recently accepted the position as Northern Region Chatelaine, I am quite appreciative of his increased aid in this office! Ideally everyone who plays in Glenn Linn is part of the office of Chatelaine/Castellan, helping to welcome new gentlefolk and indicating where help can be received regarding beginning in this active and fun-filled hobby.

Best wishes to you all for a healthy, happy and warm Spring,
Yours In Service,
Frigga

If I am unable to help you, I can get you in contact with someone who can!

Any questions? Contact Frigga. chatelaine@glennlinn.eastkingdom.org 792-7923

Northern Region Teachers Database

In an effort to centralize and access many of the subjects and classes that are within the Northern Region, information for a regional database is being created. If you have interest in cooking, sewing, armor making, fighting techniques... Ever thought about or planned to teach a class, share knowledge, pass along your tips and tricks about something?

"A Regional Database useful as a quick, easy and efficient resource for all who are seeking teachers for Regional and/or local area events - and a place for discussion of various aspects of teaching in the SCA - from how to choose your topic to what to do if you forget to bring your notes and materials to handling unruly students.

In other words a place where autocrats and event organizers can draw upon talent and a place where teachers can learn from other teachers, share ideas, form new friendships and have fun."

Although the current method of entry is somewhat not easy to search through, it is an initial jumping board for a workable and searchable list in the very near future, as a website forum is being confirmed.

Join the group and load the database with your info!

If you need an invite, please email Lady Seeley in le Wyllowes at mn66@yahoo.com

Keeper's of Athena's Thimble

East Kingdom Embroidery Guild

Posted to the Thimble list by HRH Brenwen the Faire: "Their Majesties are currently in dire need of more *Tyger's Cub* badges/medallions. There is only 2 left in inventory. Also, they are very short on *Queen's orders of Courtesy*."

If interested *anyone* can try their hand at these, whether it be stitching, painting, beading... however it suits your fancy! Completed projects can be mailed or given directly to TRM at an event.

Did you know anyone can become part of Athena's Thimble? All are welcome at any meeting to learn something new, or to show off your own talents and (not the very least) to meet friends and relax!

May 4's meeting will be applique-ing the roses to the gloves.

For information on the guild and possibilities to participate, please visit: <http://www.athenasthimble.com/>

Meetings are held at Ruth's in Albany. Car pooling available. Email Arnleif or Moreta for directions. Bring whatever project/s you are working on!

Lady Moreta has completed 26 plus white gloves and is asking for individuals to complete a rose or two. There are many ways to get the gloves and roses together! Give completes roses to Moreta or Arnleif in Glenn Linn, or Sheldon or Ruth in Concordia. You can even drop it into an envelope and mail to Moreta (Kim Jones, Country Colony Rd, Queensbury, NY 12804).
