## Humor in... ARMOR By Lord Asgar Roulfson

I woke up early eager to fight in the Crown Tourney. I wanted to impress everyone with my fighting skill. I got the kids ready with all their clothes for the next day as they were staying with their grandfather. Frigga worked all night at the hospital so I got everything ready. Frigga knows me and asked "Do you have your Gorget?" "Yes," I replied. "Helmet?" "Yes." "Shield?" "Yes." "Cup?" "Yes, I got everything! Don't worry!" thinking she was questioning my competence a little too much. When I got there, on time I might add, everyone kept yelling "Go sign up!" as I forgot until the last moment at the previous Crown. So I signed in and started to armor up. I got my leg armor and everything else when I noticed my torso armor was missing. Left it hanging in the closet at home. So here I am, partially armored running around begging people if they have any spare torso armor. I finally got a kid's shoulder pads with another person's leather torso. Unfortunately my ribs were left wide open but I still fought well. I had a blast though I looked like a horrible Noob.

## Fall Brawl

Pot Luck Nonevent and Northern Regional Practice

October 14, 2008 in Crandall Park

What luck to have such wonderful brisk weather for a day in the park! About a dozen heavy list fighters gathered for an entire afternoon. Dave and Allen were authorized and Josh authorized in more forms. That's two more thugs for the Northern Army! The few youth fighters attended as well to have fun (zombie battles!). There were gentles who drove from afar to enjoy the day with Glenn Linn. The drive must have been beautiful with the sunshine on the trees myriad colored leaves. It was certainly gorgeous in Crandall Park!

A few new individuals interested in the activities of our Shire attended, bringing fresh and delicious items for the pot luck meal. The items donated for the silent auction to benefit the Royal Travel Fund fetched fifteen dollars.

## Blades and Blarney XI

February 16, 2008

Volunteers for Troll, set up needed. New site! West Glens Falls Fire on 33 Luzerne Road. This brightly lit, window filled site will be a pleasure to occupy for a day of fun, friends, feasting and most importantly fencing! The site's rules/contract dictate and included in the cost of the site that THEY are the ones to clean up and put tables/chairs away. We will also need to bring our own pots, pans, serving platters, etc. Please look out for a request for kitchenware and kitchen help before and on the day of the event!

## Northern Lights XVII

March 1, 2008 Christ Church United Methodist

Volunteers: Troll - Ratburc Castis, Feastocrats - Allen and Lisa

Volunteers will be needed for set up and clean up. This is the Northern Lights Competition XVII. It is a welcome opportunity whilst the winter weather wanes to leave one's warm dwelling, either to compete by displaying the projects one has been working on or to simply observe it all. Whether as an entrant or a leisurely peruser, no one doubts that great talent abounds in the East Kingdom and there are many friends of old and new that are well met on this day.

Please visit the official Northern Lights website for more details on the competition's information including registration forms, deadlines, and rules: <http://scanorthernlights.org/index.html>

# Northern Region War Camp XV

## Heavy Tournament ideas

Proposal for Northern Region Champion Tourney.

It has come to my attention that one thing that will need to happen is that we need to define ourselves more as a Region. One idea that was brought up was Regional Champions. Therefore:

The Shire of Glenn Linn would like to hold the first Northern Region Rattan Champion Tourney at the upcoming Northern Region War Camp, July 3rd through July 6th. Contestants would be limited to those Heavy List fighters who reside in the Northern Region. Depending on number of entries, this will either be a double elimination Tourney or a Shark Pit.

Let me know what you think.

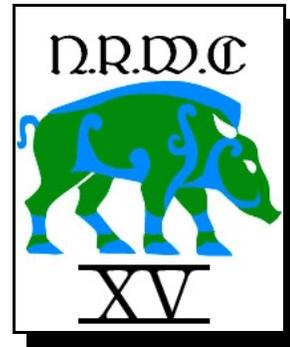

Your in Service,

Ketilfastr Thorkilson "Kettle"

Knight Marshal - Shire of Glenn Linn

Marshal in Charge - Northern Region War Camp

Reigning Known World Novice Champion

## Tokens and A&S class - Sand Casting (?) Workshop

This workshop is on hold until the warmer weather returns in the new year. There is a possibility that there may be a gathering for discussion and carving for the "master" before the cold weather breaks. Lady Irene Purificato of the Shire of Anglespur has kindly agreed to come to Glenn Linn for instruction, as sand casting might not be the actual technique that is ideal for so five hundred plus site tokens. Josh has ordered and already received the kit for this activity. Thank you Josh! Please look to the Glenn Linn message board for updates with information and scheduled day and time.

## A Bit of History...

### "origin of Northern Lights and a champion tidbit

Some (perhaps many) might not be aware of the origin of the Northern Lights A&S competition event. (For a historical organization especially, it amazes and saddens me how careless we can be with our own Society history.) It was begun during the last Northern Principality movement, as a means to illustrate the extent and diversity of A&S within the Northern Region -- something that was necessary.

The popularity of this event gave it life beyond its original intent.

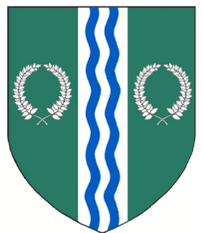

I do not recall region-specific heavy weapons champion events actually happening (Marieke? Do you recall any?), but there were indeed a few years of rapier champions -- however, since that movement considered both North and Central Regions to form the NP, these championships were for North AND Central participants. Dresden"

*Note from the Chronicler:* Both the Northern Lights event and Northern Region Championship are slated for Northern Region War Camp XV!! That will occur within the next twelve months here in Glenn Linn!

# Gentles of Glenn Linn

The third division fighter's food table fund is over forty dollars thanks to donations from Ketil and Rat's and Asgar and Frigga's households. But anyone can get involved! Do you have a returnable bottle kicking around on the floor of your car? Anyone wishing to donate (preferably clean) returnable cans and bottles to Frigga, ALL of the funds will be used at events where the Third Division fighters of Glenn Linn attend. Just think: The next event you attend could have food and drink to refresh and strengthen whilst you fight thanks to these donations!

Thank you Arnleif for the great tip and contact information on the new business meeting site. December's meeting will be held at the new room at American Red Cross at 78 Warren Street, Glens Falls, NY. All it took was a phone call and a stop by to confirm the site for dates. Thank you, Arnleif!!

Vivat to Lord Ketilfastr Thorkilson and his lovely wife Lady Ratberc Castus on receiving their Award of Arms during Court at the Fall Crown Tournament held in the Barony of the Concordia of the Snows on November 3, 2007 A.S. XLII. Congratulations! Both awards are well earned. Thank you Rat and Ketil for the huge amount of personal time and effort done happily in service to the Shire of Glenn Linn and the East Kingdom! Vivat!!

Thank you "Goose" aka Decimus for hosting Casino Night II. There were fewer people who showed than for the first Casino Night, but it was still a fun evening of relaxed games and laughter. Thank you Goose and Kelly for offering your home for another fun evening!

Did you know that there was a Special Olympics Polar Bear Plunge in Lake George? Alethea, Kat and Liam were team "Shire of Glenn Lin." By diving into Lake George, these three gentles raised \$1520!! Are there any pictures?! Great job!

Valdimarr and Alice had their second baby... and it's a boy!! Congratulations to the entire family and welcome to the world little Valdimarrson!

Thank you Fitz for finding and coordinating the new fight practice site at the Hudson Falls Fire Hall at 95 John Street in Hudson Falls. Practices are moved to every Wednesday. We have an indoor site thanks to you Fitz!! Vivat!

Congratulations to Dave and Allen who were authorized at the Fall Brawl in September. Awesome and vivat!

Goodbye Kat, who has left the Shire to return to school in Northshield. Good luck Kat!

## East Kingdom turns 40!!

To the People of the Kingdom of the East, does Lord Michel Wolffauer, Kingdom Historian, Send Greetings! On June 2, 1968, the East Coast chapter of the SCA held their first event. The event took place at the Cloisters in New York City. Rain prevented them from holding their first Crown Tournament that day - it would have to wait until July 21st at Cloves Lake Park, also in New York.

Next year will be our Kingdom's 40th Anniversary. In celebration of this I will be putting together a display of East Kingdom History and taking it to as many events as I can. However, I need your help to make this display a success.

I am putting out a call to any and all who have Photos, Artifacts or Stories that they would like to share. If you have something to share, please contact me at [historian@eastkingdom.org](mailto:historian@eastkingdom.org) (My other contact info can be found in the front of the Pikestaff, under the office of the Chronicler.)

Please feel free to forward this request to anyone who you think could lend a hand.

In Service, Michel Wolffauer East Kingdom Historian <http://history.eastkingdom.org>

# From the Chatelaine

Unto the wonderful people of the Shire of Glenn Linn,

Many people in other places tend to relax in their homes, cocooning against Old Man Winter, but not so of the gentles here in Glenn Linn! Personal thanks are owed to the many gentles who help to keep the purpose and tenet of the SCA alive: to spread the word, educate and encourage a love of history and historical knowledge.

For a start, two demos were held one week in October! Thank you Ketil, Rat, Goose, Asgar, Deacan, Kat, Connor, Rael and Gavin for your participation! Somehow, not enough was had by these audiences: more interest has created more invites for us to demo again, and can we say no?

For the Spring, please don't forget we will be participating in the Glens Falls Rotary Water Walk again in May. It may seem like a season away - and it is, but the snows will be gone before we know it. Last May's demo was pure enjoyment and a true help for a worthy cause. Anyone willing to attend a bigger and better demo are happily invited in on the planning process!! The date is being selected. Of course, everyone is invited to come and participate all the while basking in the Spring sunshine.

In case you are wondering about plans for the Summer? Well, besides the anniversary fifteenth year for Northern Region War Camp that is...?! The Boy Scout demo in October encouraged the regional committee to have a medieval theme for their day camp in Bleeker/Gloversville, NY. Coordination as to the date (one day in the July 7 thru 11 week) is in the works with Concordia. And if that's not enough, the American Red Cross Adirondack Saratoga Chapter has indicated interest in our presence at the Celtic Festival that will be held at the West Mountain Ski Center on July 19!!

Whew! That's just a bit of the planning that is in the works. Hopefully we'll have more of the awesome gentles of Glenn Linn aware and willing to come and have fun! Thank you everyone!!

Happily, Yours In Service, Frigga
