Challenge & Championship Descriptions

Cooking: The recipe and kitchen-friendly cooking instruction was made available Saturday morning at gate. The method of cooking was each participant's choice, such as ground fire, camp stove, etc. Participants had to bring their own cooking utensils, etc., and all assembly and cooking had to be done on site.

Youth A&S Challenge: Each youth sculpted a pumpkin from Egyptian Salt Dough. Age categories: 1-5, 6-10, and 11-17.

Adult A&S Challenge: Participates brought a pre-made copper item for judging.

The Shire of Glenn Linn A&S Championship was for adults who also resided in the Shire of Glenn Linn. Participants brought a pre-made copper item for judging. The winner is the Shire of Glenn Linn A&S Champion until the next year's challenge.

Archery Tournament and Glenn Linn Championship, "When Lepers Attack!": a variety of target shoots: Leperzilla (clout), Knights of Leper Sea (set distances), Leper Khans (timed), Ten Lepers Leaping (movable/timed), and Invasion at Leper Beach (strategy). The Glenn Linn winner is champion until next year's challenge.

Viking Funeral Ship: Shared personal offerings for loved-ones through medieval-style prayer, song, poem, and remembrance.

Fencing/Rapier Tournament: A reverse slippery slope tournament ~ All fighters began with single sword. After a first loss, the fighter was allowed to also use a defensive parry object. A second consecutive loss allowed the fighter to use an offensive parry. A third loss resulted in tournament elimination. A win in any bout canceled out a loss, causing the fighter to return to the previous level.

A Short Interview With Glenn Linn's New Archery Champion – Duncan Fletcher

Shortly after the conclusion of our exciting tournament at Arts & Arrows IV, the "Cascadian" found an opportunity to spend some uninterrupted time with "Duncan Fletcher, one of the most respected archers in the Shire of Glenn Linn, and its new archery champion. Here, then, is our exclusive interview:

Cascadian: Thank you, Duncan, for taking a few moments to speak with us. The entire shire is proud of you. I'm sure we're all interested in hearing how you felt when you won this year's championship.

Duncan: Great. I felt...great.

Cascadian: Okay, thanks.

Duncan: Right.

Message From Our Seneschal

Greetings unto the gentlefolk of our Shire.

The new year for the SCA soon will be upon us (1 May 2015: Anno Societatus XLIX). Here, at the Shire of Glenn Linn, we look forward to a great year. I hope you and your family will take part in our local events and activities, whether it is for an entire weekend or for just a single day. Whatever your interests, you'll probably find them in our shire and at nearby events.

It's fun to participate – the more people, the better. There are also many ways to help the shire, including becoming an officer or volunteering for an event or activity. Chances are, no matter what you do in our shire, you'll find new friends and have a good time.

I look forward to seeing you soon.

Yours In Service,

Gage

A Recipe For The Age Is:

Submitted by Wilhelm Sturmer Vom Berg

Roast Onion Salad

If your fireplace is ablaze, roast the onions in the embers until they are very tender;

If not, roast them in a 500-degree (200-degrees c) onion for about an hour individually wrapped in aluminum foil.

Remove the onions from the oven, unwrap them, and let them cool a while. The skins should be blackened and caramelized. When they are cool enough not to burn you, peel the onions and cut them into thin slices with a very sharp knife.

Put the onions into a salad bowl. Season with salt, pepper, and the spice mixture. Add a little olive oil and vinegar to taste. Mix and serve.

Take onions; cook them in the embers, then peel them and cut them across into longish, thin slices; add a little vinegar, salt, oil, and spices and serve.

Scant ½ teaspoon fine spices

This is still served today in certain parts of Spain and Italy, where they really know their onions.

Feel free to join us at our next meeting – your involvement makes us a stronger community, come make a positive difference. Except for August, our business meetings are held monthly on the second Tuesday.

The Shire of Glenn Linn ~ Business Meeting Minutes February 8, 2015

Attendance: Gage, Saffir, Emmitt, Arnleif, Tim, Tomas, Ruth, Erik, Duncan, Alecia **Amanuensis:** Gage **Motion to call to order:** 6:39pm **Approval of Previous Meeting Minutes:** December 2014 – Saffir motioned to accept, Erik Seconded - Passed January 2014 – Saffir motioned to accept, Alecia Seconded - Passed

OFFICER REPORTS

Seneschal - Gage

Welcome to this month's meeting. As always please try to keep the side conversation to a minimum as there is a lot to go over. As we all agreed to postpone the February business meeting to tonight due to weather, we should all watch the weather and be sure it will be safe for travel. Bids for Northern Region War Camp were due by November 2. A copy of the bid and financial request should be sent to both the Seneschal and the Exchequer. Alecia has placed her bid and at that point in the meeting we will vote on it. Our bylaws clearly state that bids for Events are due 6 months ahead of the events month/date. With the exception of Northern Region War Camp which Bids are due by the Sunday before the November Business Meeting. Therefore any bids for Fall Event this year are due by March 1st for consideration at the March Business Meeting on March 8th for an event to be held in September or October. While preparing a bid for an event you should look into using the officers and other members from within the shire before going outside the shire for assistance. With the recent "crackdown" on event submissions in the East Kingdom there are new procedures in place. All submissions will no longer have a check box for the submitter to click saying that the submission has been seen by the Seneschal of their group but instead will be submitted and an email generated and sent out to the groups Seneschal to review and say yes or no to the submission. To make this easier for us please send a digital copy of your event submission to seneschal@glennlinn.eastkingdom.org before you click submit so that it can be reviewed beforehand and any changes can be made before submitting the event and a fast response from the seneschal on the submission can be made. For the officers please remember to send a digital copy of all reports to both the seneschal and Deputy Seneschal before the monthly business meeting. Also as part of the Societies document retention policy and each officers handbook please remember to keep copies of your reports in a binder or on a thumb/usb drive to pass on to the next officer if you leave your position. Also as per the shires bylaws please give at least 24 hour advanced notification if you are not going to attend the business meeting. The only exception to this is if it is an emergency situation.

Mistress of Arts and Science – Saffir A&S report for the months of January 2015:

1. January 4, 2015- Medieval Game Night
2. January 18, 2015- A&S was Cancelled Due to Weather
3. January 25, 2015- A&S was Cancelled Due to everyone being worn out from Birka

If you haven't filled out an A&S Survey for 2015 please do so ASAP. I will be using the information to plan classes for this year for both A&S Sessions and NRWC 2015. At the bottom of the survey please add days and times that are workable for you for A&S sessions so I'll know in case we need to move sites.

I'll be adding classes to the 2015 calendar as they are planned. Classes are listed in calendar form (with supplies needed for classes listed) on the Shire of Glenn Linn's Website, at the following link:

<http://glennlinn.eastkingdom.org/>

As we move forward with planning I will be looking to add classes to the dates listed as A&S Open (in red type).

Chronicler – Vacant Tomas is working on a new Cascadian

Chirurgion - Vacant

Web Minister – Gage There have been some minor issues with email forwarding and group submissions/mass messages through the society servers but things are being fixed as fast as possible. Any and all social media postings for Event's should pass through the Webminister so that they are reviewed and properly worded. This is to cut down on the clutter and to ensure that everything has the same dates, times and so on. More discussion on who can post about practices, A&S Classes, Meetings and demos is in the works with regards to social media announcements as well. Per the current Kingdom Webminister and Social Media policies the officer in charge of these should be the one to make the post but allow the Webminister to know ahead of time and allow them to access and help change/edit the posting. Erik said he would send info and images to the Webminister for the NRWC Site.

I will send Alecia the Site address for addition to the EK Listing ~ I will create the Facebook event page as well I just need to make sure all times are the same on all pages and listings. ~ Each member with a position on Alecia's staff should send updated lists for schedules, merchants and other info to Alecia and myself for addition to the webpages and social media postings. This is so that Alecia knows what is going on and allows us to give more info to those looking at attending the event.

Archery Marshal – Tomas (report by proxy) Practices

Practices held since last report (9 November): None. The outdoor shooting season has pretty much ended until Spring 2015. This past year, our practices were held mainly at Castle Dragonwyck, and occasionally at “Cold Antler Farm” – for information about the upcoming outdoor year, please see “Special Notes” below. In any case, now that winter is upon us, we are looking to hold practices indoors. Be sure to regularly check the shire's online message board for up-to-date archery information and announcements.

Royal Round Rankings

Five archers from Glenn Linn rank among the 203 on the East Kingdom Royal Round list: Marksman -- Brynjolf Jossen (108); Archer – Duncan Fletcher (147), Gage Ormesby (169), and Lisabetta Vedova de Alessandro (188), and Saffir Weaver (197).

Activities Held or Attended: None

Upcoming Events for Glenn Linn Archers

Carpooling is encouraged. Drive times are approximate from downtown Glens Falls.

For details and directions, see the East Kingdom website under events: www.eastkingdom.org/events.

None currently scheduled. However – Indoor Winter shooting (Shire of Glenn Linn):

We should be able to shoot again from January through April in the winter league held at the “Hudson Falls Fish & Game Club.” This year, more of our archers may take part, and we'll probably shoot scores again for Mid-Realm's Annual Winter Challenge.

Special Notes: Starting in Spring 2015, we will hold our outdoor practices at a new site – currently, one is under consideration in the Town of Argyle, Washington County. Please join me in expressing appreciation to Lord Brynjolf Jossen and Lady Esperanza Zamora DeLaquava for having allowed and invited the shire's archers to join them in practice on their property. During these past several years, the establishment and growth of our archery program has been the direct result of their generosity, hospitality, and ingenuity. Again, please join me in wishing them success with their new home-site business.
